

June 28 Notes – Do it now!

Today is going to be a great day!

Special guest tomorrow – we will go for an extra 45 minutes

Do it Now! and Think and Grow Rich

Do it now says to me action is a skillset

You could have all the success knowledge you need to make your goals and dreams happen but you are missing action or consistent action

How I used the tortoise and the hare philosophy to build my business

1 speech per day

My book projects where tortoise and the hare

The CSI Facebook Group goal is 10,000 members. This goal will be realized by tortoise and the hare

What is the likely predictable future if you took consistent action?

Think and Grow Rich to me means spend time thinking about what I want to create and then formulating plans.

My step-mom's dad paid himself \$100 per hour to think.

Send it all!
